## Faculty Recommendation Form - **SAMPLE**

This is a **SAMPLE** of the KIIS faculty recommendation form and is not intended to be completed by paper. An electronic version is available in the MyKIIS database.

When a student applies to a KIIS program in the MyKIIS database, the student will enter a faculty member's university email account. The Faculty member then will receive an email link to complete the student's recommendation form in MyKIIS. Once the faculty member clicks "submit" on the database form, the form is automatically added to the student's application. Faculty members are not required to have a MyKIIS database account to complete the electronic form.
