Refer to the website of the 2012 ACTFL proficiency guidelines for more information.

Course Requirements:

• Classroom participation and attendance: Attendance and class participation contribute toward 20% of each student’s final grade. Therefore, students are HIGHLY urged to be in class on time and not to miss classes except in cases of illness, family emergency, and things of that nature. According to the attendance policy of this course, students are allowed three undocumented absences per semester. After the third absence, one percentage point will be deducted from their grade for every undocumented absence. KEEP IN MIND THAT EACH HOUR OF MISSED CLASS INSTRUCTION COUNTS AS ONE ABSENCE.

• Homework: Students are required to do their homework at home before coming to class. In the case of absence, students are required to contact their classmates to know whether any homework had been assigned, and what the homework is. All assigned homework will be collected on its due date, at the beginning of the class, and graded promptly. Late homework will be corrected, but will receive no credit, except in the case of excused absences.

• Quizzes: Students will be notified of quizzes ahead of time so that they can prepare for them adequately. Missed quizzes will not be made up unless legitimate documentation has been provided to justify the absence, and the instructor has approved that the missed quiz be made up.
• **Cultural Reports:** Students are expected to attend or take part in at least two extracurricular activities related to Arabic. This can be in the form of attending a lecture or talk that discusses any aspect of Arabic culture, literature, politics, history … etc., or watching an Arabic movie.. etc. Students are required to submit about a 300 word brief report (in English) reflecting on the activity, what they did in it, and what they learned from it.

• **Oral Project:** Students are expected to develop and demonstrate oral fluency. In addition to oral interaction in class, the student will be required to produce a term project as part of the KIIS Rabat activities. Pronunciation, fluency, vocabulary, and appropriate, functional usage will be taken into account when grading the project.

• **Midterm and Final Exams:** Both the Midterm and the Final exams are accumulative, meaning they cover all the material in the textbook (and related material) up to the time when the test is taken. Therefore, students are advised to study from the beginning of the course and not to procrastinate. Valid university excuse is required for a make-up. The dates for these exams are indicated below.

• **Co-Curricular activities:** Unlike regular foreign/second language courses, KIIS Morocco summer program offers its students a unique opportunity to immerse into Arabic by organizing a variety of co-curricular community-building, language-oriented, and cultural activities. We strongly encourage our students to attend all co-curricular events to receive additional target language input & practice, and learn about the culture and history of the people speaking Arabic.

**Grading:**

Arabic 202 will be graded based on the following scale:

- A+ = 97-100%
- A = 93-96%
- A- = 90-92%
- B+ = 87-89%

Attendance Policy

KIIS program participants are expected to be punctual to and in attendance at all classes, presentations, meetings and required excursions, and to remain with the program for the full academic period. Unexcused absences from classes and/or mandatory meetings will result in a lowering of the student’s final grade, as will excessive tardiness. Multiple unexcused absences could result in expulsion from the program. Any absence from an academic class session must be excused for medical reasons.

Disability Accommodation

KIIS will make every reasonable effort to provide accommodations for program participants with special needs or disabilities, but we cannot guarantee that we will be able to do so. Be aware that many foreign countries do not have comprehensive legislation comparable to the Americans with Disabilities Act (ADA). As a result, businesses and other establishments operating in foreign countries may not be able to provide accommodations.

If you have a disability accommodation need, we recommend you contact your KIIS Campus Representative, [https://www.kiis.org/about-kiis/contact-us/campus-representatives/](https://www.kiis.org/about-kiis/contact-us/campus-representatives/) early in your program selection process so that s/he has time to discuss
any specific needs, including which KIIS programs may be best suited. You also are welcome to contact KIIS Assistant Director, Rebekah Golla, rebekah.golla@wku.edu, to discuss your disability accommodation needs (e.g. housing, transportation, excursions, class schedule, etc.).

Immediately after acceptance, notify KIIS Assistant Director, Rebekah Golla, or KIIS Office Manager, Haley McTaggart, haley.mctaggart@wku.edu, if you have a special need or disability that might require any form of accommodation abroad. Failure to notify KIIS may prevent you from participating on your KIIS program.

If you require any accommodations abroad, you must provide KIIS Assistant Director, Rebekah Golla, or KIIS Office Manager, Haley McTaggart, an accommodation letter from your home campus’ disability accommodation office that lists the accommodations you are eligible to receive. Please do not request accommodations directly from your KIIS Program Director or other KIIS Faculty; the KIIS Office will your KIIS Program Director and/or Faculty after we have received your above accommodation letter.

In some cases, you may need to make arrangements for a caregiver to join you on your KIIS program, should your physician, campus disability accommodation office, or KIIS make such a recommendation or require it.
