Syllabus subject to change

1. Course Description: This course provides an introduction to the foundational skills of choral and instrumental conducting. Students will develop and practice fundamental conducting patterns, along with essential technical skills including preparatory gestures, cutoffs, cues, fermatas, and techniques for communicating dynamics, articulation, tempo changes, and irregular meters. Additional emphasis is placed on score study, aural development, and effective rehearsal strategies. Instruction will incorporate a variety of teaching methods, including assigned readings, lectures, class discussions, individual and group activities, conducting drills, score analysis, and regular podium opportunities for students to practice both conducting and leading rehearsals.

2. Overall KIIS Program Student Learning Outcomes:

KIIS Study Abroad Mission Statement:

KIIS provides high-quality education abroad programs for students from all diverse backgrounds that promote deep international learning, are integrated into the curriculum, and encourage critical and creative thinking. Our goal is to help students understand the wider world and develop personal and professional skills for lifelong enrichment. We strive to go beyond generalizations and cultural stereotypes to help foster a nuanced appreciation of the world in which we live.

Students participating on KIIS study abroad programs aim to:

- 1) Understand contemporary issues of their host country/countries (i.e. KIIS program location).
- 2) Develop skills to interact comfortably in a global setting.
- 3) Understand other cultures.

Prior to your KIIS study abroad program, and again at the conclusion of your program, KIIS will ask each student to a) answer a few multiple-choice questions, and b) write a short reflective essay (two paragraphs in length) related to the elements detailed above. There is no right or wrong answer, and your responses will not affect your grade in any way. The purpose of the exercise is to help KIIS measure the effectiveness of its study abroad programs.

3. Course Objectives and Specific Learning Outcomes:

- Demonstrate fluency in conducting simple to intermediate choral and instrumental repertoire.
- Develop informed interpretations of musical works through score study, historical research, and an understanding of performance practice.
- Plan and lead effective rehearsals for a variety of choral and instrumental ensembles.

4. Major Topics covered in the Course: (Add/paste your content here.)

- Standard conducting patterns in 2, 3, 4, 5 and 6, and their subdivisions
- Basic techniques including preparations, cut-offs, cues, fermate, dynamics, articulations, changes of tempo, irregular meters and expressive gesture
- Left hand techniques for dynamics, cues, and phrases
- Basic baton techniques
- Score study and preparation skills, ear training and evaluation skills
- Rehearsal techniques and organization

5. Fulfillment of General Education Requirement: (If applicable, i.e. if you feel that your KIIS course will fulfill/satisfy a Gen. Ed. requirement at your institution— more likely a possibility if you are teaching a non-Topics course— please list briefly the way your KIIS course will fulfill the Gen. Ed. requirements. If this section is not applicable to your course, you may delete this section (#5) from your syllabus.)

6. Required Readings and Materials: Readings, exercises, and scores will be made available by the instructor.

7. Graded Assignments: Final grades will be calculated as follows:

- | | |
|---|---------|
| • video self-evaluation (4) 50 pts each = | 200 pts |
| • Preparation of daily exercises/excerpts (20) 10 pts each = | 200 pts |
| • Written score analysis (2) 50 pts each = | 100 pts |
| • Final conducting project 100 pts = | 100 pts |
| • Class attendance (every tardy will affect your grade for the day) | |

Total = 600 pts

- Written Excursion Reports 25 pts each

Final grades will be assigned according to the following scale:

A = 550-600 B = 500-549 C = 450- 499 D = 400-459 F = <400

This course will be graded on this basis, without regard to other scales (i.e., plus-and-minus) which may apply at your college or university. Note KIIS/WKU does not award +/- grades, only full letter grades.

Grading Scale for Daily Exercises and Assigned Excerpts: Your podium time is premium, and is limited by practicality. There is no substitution for adequate preparation.

The following scale will be applied to your daily exercises:

Clearly well prepared = 20 pts

Fairly well prepared = 15-19 pts

Incompletely prepared = 10-14 pts

Poorly prepared = 5-9 pts

Unprepared = 0 pts

Score Analysis: Each student will complete a written score analysis of two works TBA, in close collaboration with the instructor. (The second score should be the score to your final conducting project.) The analysis will include research into the historical background of the work, a bar-by-bar compositional analysis of the piece, reference to interpretation considerations and specific conducting issues, as well as a strategy for rehearsing and performing the work.

Final Conducting Project: Each student will prepare a work (approved by the instructor) to be rehearsed and performed by the student for a grade. The student will have several rehearsal sessions with the core of students (keyboard plus singers) before the final performance.

The grade assigned to the project will be broken down as follows:

Score preparation: 50 pts
Conducting technique 25 pts
Rehearsal technique 15 pts
Final result 10 pts

8. Generative AI Policy:

Generative AI is permitted/encouraged in some ways, with proper attribution, but prohibited in other ways.

Students are allowed, encouraged, and even required to use Generative AI in some ways but are prohibited from using it in other ways. Keep in mind that any content produced by generative AI can “hallucinate” (produce false information), so students are responsible for ensuring the accuracy of any AI-generated content. Examples of citing AI are available at: <https://libguides.wku.edu/stylewrite/ai>.

Students are permitted and encouraged to use generative AI in the following ways:

- Brainstorming: You may use generative AI to stimulate creativity, generate ideas, or brainstorm topics for papers, presentations, and discussions. The generated content must serve as a steppingstone, not a final product.
- Citation Assistance: AI tools can be used to manage, format, and organize citations and references, promoting adherence to academic writing standards and specific style guides required for individual assignments.
- Concept Understanding: Generative AI can be used to explain or simulate concepts taught in class, aiding in a deeper understanding.
- Research Assistance: AI can be used to conduct initial research, compile data, and summarize articles, books, or papers. It should not replace traditional research methods but rather enhance them.
- With Instructor Approval: AI-powered writing enhancement tools may be used to help with spelling, grammar, syntax, and stylistic errors when permitted by the instructor.

You may not use generative AI in coursework in the following ways:

- Plagiarism: Using AI-generated content as your original work. This includes essays, papers, presentations, and exam answers.
- Data Manipulation: Using AI tools to alter data or create misleading information.
- Misrepresentation of Skills: Using generative AI to complete tasks that are meant to assess your knowledge and skills.
- Confidentiality Breach: Using AI tools that might violate KIS/university policies or laws related to data privacy and confidentiality.

Metacognitive Reflection. In addition to a proper citation, the student should include the following statement with any assignment where generative AI is used for assistance.

"I used generative AI [INSERT NAME OF PLATFORM] for assistance in the following ways on this assignment: [INSERT WAYS USED, such as brainstorming, citation assistance, concept understanding, and research assistance, etc.]."

9. Attendance Policy:

KIIS program participants are expected to be punctual to and in attendance at all classes, presentations, meetings and required excursions, and to remain with the program for the full academic period. Unexcused absences from classes and/or mandatory meetings will result in a lowering of the student's final grade, as will excessive tardiness. Multiple unexcused absences could result in expulsion from the program. Any absence from an academic class session must be excused for medical reasons.

10. Disability Accommodation:

KIIS will make every reasonable effort to provide accommodations for program participants with special needs or disabilities, but we cannot guarantee that we will be able to do so. Be aware that many foreign countries do not have comprehensive legislation comparable to the Americans with Disabilities Act (ADA). As a result, businesses and other establishments operating in foreign countries may not be able to provide accommodations.

If you have a disability accommodation need, we recommend you contact your KIIS Campus Representative, <https://www.kiis.org/about-kiis/contact-us/campus-representatives/> early in your program selection process so that s/he has time to discuss any specific needs, including which KIIS programs may be best suited. You also are welcome to contact KIIS Assistant Director, Maria Canning, maria.canning@wku.edu, to discuss your disability accommodation needs (e.g. housing, transportation, excursions, class schedule, etc.).

Immediately after acceptance, notify KIIS Admissions and Enrollment Specialist, Haley McTaggart, haley.mctaggart@wku.edu, if you have a special need or disability that might require any form of accommodation abroad. Failure to notify KIIS may prevent you from participating on your KIIS program.

If you require any accommodations abroad, you must provide KIIS Admissions and Enrollment Specialist, Haley McTaggart, an accommodation letter from your home campus' disability accommodation office that lists the accommodations you are eligible to receive. Please do not request accommodations directly from your KIIS Program Director or other KIIS Faculty; the KIIS Office will notify your KIIS Program Director and/or Faculty after we have received your above accommodation letter.

In some cases, you may need to make arrangements for a caregiver to join you on your KIIS program, should your physician, campus disability accommodation office, or KIIS make such a recommendation or require it.

11. Title IX / Discrimination & Harassment:

Recent attention to gender discrimination and sexual harassment at colleges and universities reminds us of the importance of adhering to standards of ethical and professional behavior. KIIS Study Abroad is committed to supporting and encouraging safe and equitable educational environments for our students, faculty, and program directors.

Students, faculty, and program directors are required to be civil and treat each other with dignity and respect. As such, harassment and/or discrimination of any kind will not be permitted or tolerated.

Sexual misconduct (sexual harassment, sexual assault, and sexual/dating/domestic violence) and sex discrimination are violations of KIIS policies. If you experience an incident of sex/gender-based discrimination, harassment and/or sexual misconduct, you are encouraged to report it to a) KIIS Assistant Director, Maria Canning (+1-859-200-1000) or KIIS Executive Director, John Dizgun (+1-270-227-2288), b) WKU's Title IX Coordinator, Ena Demir (270-745-6867 / ena.demir@wku.edu) or WKU's Title IX Investigator, Michael Crowe (270-745-5429 / michael.crowe@wku.edu). Please note that while you may report an incident of sex/gender based discrimination, harassment and/or sexual misconduct to a KIIS program director and/or faculty member, KIIS program directors and faculty are considered "Responsible Employees" of Western Kentucky University and MUST report what you share to WKU's Title IX Coordinator or Title IX Investigator.

If you would like to speak with someone who may be able to afford you confidentiality, you may contact WKU's Counseling and Testing Center, <https://www.wku.edu/heretohelp/> at 270-745-3159.

For more information on KIIS Title IX, see <https://www.kiis.org/students/health-safety/title-ix-clery/>.

Everyone should be able to participate on a KIIS program, attend a KIIS event, or work in a KIIS environment (e.g. KIIS office) without fear of sexual harassment or discrimination of any kind. Be respectful of each other.
